

## HNZ Fundamentals of Palliative Care

This programme is currently being re-designed with an intention that it will be available as blended learning in the latter part of 2021. The current 10 sessions will be available as single sessions or 2-Day block sessions.

Attendance at these sessions requires commitment to self-learning as well as pre and post session learning activities. Certificates are issued on receipt of the post-session reflection.

Bookings required from all healthcare sectors.

## HNZ Palliative Care for Caregivers

One day training ideal for new HCA's caring for people with palliative needs. Course explores palliative care philosophy, pain and symptom management, communication, last days of life and bereavement. Bookings required.

## Palliative Care Masterclasses

Masterclasses offered an opportunity to hear from a variety of speakers promoting and providing evidence based knowledge skills.

Target audience: Health professionals — nurses, doctors & allied health. Bookings required.

## Breakfast Lectures

The Cancer Research Trust NZ Palliative Care Lecture Series hosted by hospices throughout NZ.

The lectures are delivered via teleconference with a PowerPoint presentation that the speaker takes participants through. Light breakfast available from 7am. No Booking required—but appreciated for catering.

## Build Your Knowledge

A study day for EN's & RN's who have already completed the FOPC and wish to deepen their assessment skills and palliative care symptom management knowledge. Learning will be through care based discussions and small group problem solving. Bookings required

## Advance Care Planning Level 1A

A workshop for health professionals wanting to help grow the use of ACP, learn how to document ACP and support patients with ACP.

## ARC Resource Group

Network meetings for all Health Professionals who promote a palliative care approach within their work-place. Bookings appreciated—but not required.

## Elms House: Training Room

Elms House has a separate entrance to the right of Cranford Hospice along Knight Street. The front door will be opened prior to sessions.

There is no parking within Cranford Hospice grounds but street parking is available. Please allow enough time to park prior to training session.
