

PALLIATIVE SEDATION THERAPY

ZOOM WEBINAR

Thursday 2nd June 7.30 – 8.30am

BREAKFAST
SESSION

DR LANA FERGUSON FRACP, FChPM

Palliative Medicine Physician

Dr Lana Ferguson is a palliative medicine physician in Hamilton, working across Hospice Waikato and Waikato Hospital sites. Lana has an interest in inpatient palliative medicine and complex pain management.

Lana has a strong interest in promoting palliative medicine as a specialty, improving the access to high quality palliative care for all patients and advancing the options available for managing complex symptomatology. Her current research interests are in the management of complex cancer pain and refractory symptom management.

TOPIC WILL INCLUDE:

Palliative sedation therapy;

- Definitions, indications and process with case examples and review of relevant evidence.
- Medications used for palliative sedation therapy will be outlined
- Brief discussion on the use of dexmedetomidine, including potential role in palliative medicine, practical overview and review of protocols/guidelines
